WELCOME TO THE BURGER BAR!

Here at the Burger Bar we are pretty proud of our little Tassie island and that's why we source our ingredients locally, where possible. It's not just because it's good for business, it's because it tastes better! All of our burger patties are made on site using meat from the award winning (and we think, the best) butcher on the North-West coast - Sharman's Butchery. They also provide the massive 250g bratwurst sausages for our gourmet hot dogs. All our chicken comes from Nichols chicken and our gummy shark is caught off the West Coast and supplied by local business, Just Landed. Our tasty melted cheese and dairy products are supplied by Ashgrove.

So take a juicy bite and support your local, Tasmanian businesses. If you're feeling HUNGRY, why not take on the burger challenge?
